HOLIDAYS: Holidays have already been pro-rated into our fee schedule, therefore we **DO NOT** credit them or make them up.

DROPPING OUT: If your child is not returning for the next month's session, please notify the office or class instructor as soon as possible so that we may offer the spot to another child.

SKILL SHEET: Dynamats' gymnastics' classes operate on a *skill sheet* system. A skill sheet is maintained for each student for his/her particular level. Each skill sheet is updated periodically and maintained at Dynamats. Parents may request to view their child's skill sheet at any time.

CLASS CAPACITY: Dynamats Gymnastic Instructor to Student ratio is generally one to eight. This may vary due to class make-ups.
